## In Loving Memory:

## Alma Linnie Huff Reynolds

Jan. 25, 1926 - March 26, 2010

She was the daughter of the late Leonard Lee Huff and Lennie Wright Huff, and wife of the late Theodore Reynolds.

She was a member of this congregation, and we all feel a great loss, but rejoice for her victory in Christ Jesus.

Alma Reynolds departed this life on Friday March 26 to go home to be with the Lord. Sister Reynolds has been a true inspiration to all of us throughout her Christian life and especially during her last few years when her health was not good.

She leaves three lovely daughters, Karon, Jennifer (Mark) and Sharon (Ronnie), five grand children, five great grandchildren, several nieces and nephews. Preceding her in death was a son, Robert Lee Reynolds, a brother Elmer Lee Huff, a sister Mildred Cyphers.

*"Blessed are the dead who die in the Lord from henceforth: yea, saith the Spirit, that they may rest from their labors; for their works follow with them."* Revelation 14:13

May God bless this dear family with peace and comfort.

- Wayne

Jesus, John 16:33

## The Basic "Flaw"

by Bill Jackson

Problems of a thousand kinds, in a thousand areas of life, have the researchers poring over plans, systems, procedures, behavior, etc. – all looking for the basic flaw causing the malfunction. Current space probes scheduled, and then repeatedly cancelled, show us that the search goes on for the "flaw." Science was not my "big thing" in school, but we're not speaking of science; rather, we speak of anything in any area that goes awry. Men then turn to try and find the basic "flaw."

In the area of major interest for most readers of this bulletin, I know what the "flaw" is that causes so many problems in the kingdom. This denotes no brilliance on my part, for many of you know it to be so as well. The basic flaw – causing men to reject the New Testament plea and to seek fellowship with the denominations. The basic flaw – causing men to want to turn the church into a playground, substituting fun and games for the work of the Lord. The basic flaw – causing men to see the church ministering to the whole man, rather than attending to his spiritual needs. The basic flaw – causing men to fault all gospel preaching that "hews the line," letting the chips fall where they may.

The basic flaw is feeling that the gospel isn't sufficient! What God has provided just isn't good enough! Though the Word is said to furnish us completely (2 Timothy 3:16-17); and though the apostles gave us what they had, completely furnishing us unto life and godliness (2 Peter 1:3); and though we are warned against turning to anything else (Gal. 1:6-7 and 2 John 9), it is true that some who wear the name of Christ don't think the Word is sufficient. Again, some have sought "growth" in ways and using means other than that prescribed by the Lord, applying the Word! (1 Peter 2:2). They think the Word is not enough!

With that basic "flaw," there is a constant move away from the Word, a constant dislike of some of its teaching, a continual distancing of oneself from study, and finally, becoming sectarian completely. With that basic "flaw," there's no way the person can be and can do what is pleasing unto the Lord! The basic "advantage" every faithful child of God has is his love of, and devotion to, the Word of the Lord. In that faithfulness, the joy of living one's life without the "flaw" that robs one completely!
