SPECIAL THANKS:

Something that often goes unmentioned is the excellent job that Rex Wallace does with maintaining our baptistry. He works hard to keep the water clean and the temperature warm, especially in the winter. We are blessed to have a nice baptistry ready whenever it is needed to baptize one into Christ. Thanks brother.

“HUNGRY” WORSHIPPERS:

The French have a proverb that provides insight for worship that states, “A good meal ought to begin with hunger.” It is hard to enjoy a meal when you are not yet hungry. As we approach worship with a hunger to meet God we will be filled and satisfied. When we come to worship filled up with our own self-sufficiency or full of preoccupied thoughts, we won’t give meaningful worship. It’s true...good worship begins with a hunger for God (Matthew 5:6).

Godly Mothers by Monroe Pressnell

God bearing witness in respect of her gifts: and through it she being dead yet speaketh. Now I confess to you that this passage in Hebrews 11:4 refers to Abel and that I've changed the pronouns from he to she/her, but I certainly believe that the principle is true. I know that my mother being dead yet speaketh, in sacrifices she made and the love that she demonstrated, influences my life even today. Isn't it amazing how the love of a good mother has shaped our lives and contributed to the physical character and spiritual nature of her offspring. Outside the perfect love of the God of heaven and His Son, no love wielded more influence on the human race than that of a Godly mother. Is it any wonder that Paul was filled with joy when he had been reminded of Timothy's faith which was first in the two most important women in his life, his grandmother Lois and his mother Eunice (2 Timothy 1:5). Isn't it true that the scriptures teach that Hannah, the mother, not Elkanah, the father, lent Samuel to the Lord (1 Samuel 1:28).

I'm thankful that I had a godly mother to help mold my life. Mothers please know that your influence will have a profound impact upon your families for generations to come. Leave them something that will endure. Mothers, even those being dead yet speaketh!

MOM'S JOB

POSITION: Mother, Mom, Mama, Mommy, Momma, Ma

JOB DESCRIPTION:

Long term, team players needed, for challenging permanent work in an, often chaotic environment. Candidates must possess excellent communication and organizational skills and be willing to work variable hours, which will include evenings and weekends and frequent 24 hour shifts on call. Some overnight travel required, including trips to primitive camping sites on rainy weekends and endless sports tournaments in far away cities. Travel expenses not reimbursed. Extensive courier duties also required.

RESPONSIBILITIES:

The rest of your life. Must be willing to be hated, at least temporarily, until someone needs \$5. Must be willing to bite tongue repeatedly. Also, must possess the physical stamina of a pack mule and be able to go from zero to 60 mph in three seconds flat in case, this time, the screams from the backyard are not someone just crying wolf. Must be willing to face stimulating technical challenges, such as small gadget repair, mysteriously sluggish toilets and stuck zippers. Must screen phone calls, maintain calendars and coordinate production of multiple homework projects. Must have ability to plan and organize social gatherings for clients of all ages and mental outlooks. Must be willing to be indispensable one minute, an embarrassment the next. Must handle assembly and product safety testing of a half million cheap, plastic toys, and battery operated devices. Must always hope for

the best but be prepared for the worst. Must assume final, complete accountability for the quality of the end product. Responsibilities also include floor maintenance and janitorial work throughout the facility.

POSSIBILITY FOR ADVANCEMENT AND PROMOTION:

Virtually none. Your job is to remain in the same position for years, without complaining, constantly retraining and updating your skills, so that those in your charge can ultimately surpass you

PREVIOUS EXPERIENCE :

None required unfortunately. On-the-job training offered on a continually exhausting basis.

WAGES AND COMPENSATION:

Get this! You pay them! Offering frequent raises and bonuses. A balloon payment is due when they turn 18 because of the assumption that college will help them become financially independent. When you die, you give them whatever is left. The oddest thing about this reverse-salary scheme is that you actually enjoy it and wish you could only do more.

BENEFITS:

While no health or dental insurance, no pension, no tuition reimbursement, no paid holidays and no stock options are offered; this job supplies limitless opportunities for personal growth and free hugs for life if you play your cards right.
