The book of James is known for its practical and relevant instructions for everyday living. James, the brother of Jesus and a key leader in the early church in Jerusalem, wrote this book to Jewish Christians who had been scattered abroad. They were going through various trials and tribulations. It's a book that defines true biblical faith. The messages in James are timeless and necessary for us today.

James writes in five short chapters some of the most profound words of wisdom and guidance found only in the inspired Word of God.

In our Summer Series, our eight speakers will only be able to scratch the surface of the rich content of this marvelous book. But, I promise you they will challenge us and leave us desiring to study in more. Bring your bible and be blessed. -Wayne
